FAST ANTIBIOTICS SELECTION TOOL

A photograph of a man with dark hair, seen from the back, holding a young child with blonde hair. The child is looking directly at the camera and has a pacifier in their mouth. The man is wearing a blue and white checkered shirt. The background is a solid green wall, and there are blurred figures of other people in the distance.

A high-angle photograph of a business meeting on a wooden desk. Two people are shaking hands in the center. To the left, a person's hand with dark red nail polish rests on a tablet displaying a line graph titled 'Company's Growth'. To the right, a person's arm in a dark suit sleeve is visible. The desk is cluttered with business documents, including one titled 'Contract' and another with a table of data. A silver laptop is open in the upper right corner.

PROBLEM, KTÓRY ROZWIĄZUJESZ

A group of business professionals in a meeting room are gathered around a large wooden table. They are holding and pointing to several large, interlocking puzzle pieces that are laid out on the table. The puzzle pieces are in various colors: yellow, blue, red, and green. The scene is dimly lit, with the primary light source coming from the left, creating a professional and collaborative atmosphere.
